

FIVE TOOLS TO INCLUDE:

EAST MEETS FEED

Final Presentation Outline (20 to 30 slides)

All 5 required tools, mapped below:

- Ethno research (Section 2)
- Audience profiler (Section 3)
- Brand aligner, Impact formula, Behavioral planner (Section 4)

## SECTION 1: THE OPEN

- Title slide: agency name and East Meets Feed for @Yujia
- The client and the mandate: the goal of 5,000 organic engagements, and that we are competing to find a more radically social way
- The thesis: "you don't have to choose," recognition not envy

## SECTION 2: THE INSIGHT

- Tool, Ethno research: observational plus conversational media analysis that surfaces insights from deep culture
- Research approach: digital ethnography via Talkwalker, quant plus qual plus Reddit
- Quant snapshot: volume, sentiment, demographics, English-dominant audience
- Qual evidence: real posts as proof, the discourse-as-evidence layout
- The key insight: fatigue with aspirational sameness, the hunger for recognition

## SECTION 3: THE AUDIENCE

- Tool, Audience profiler: enriched, attitudinal and psychographic personas drawn from the research
- Audience overview: Western (Instagram plus TikTok) vs Chinese (RedNote), plus the Core and Growth tiers
- Instagram personas
- TikTok personas
- RedNote personas
- Persona-to-platform map

## SECTION 4: THE STRATEGY

- Tool, Brand aligner: based on Sinek's Golden Circle, the shared "why," serving as the brief to brand positioning (our recognition-not-envy stance)
- Tool, Impact formula: INSIGHT + ETHICS = IMPACT, the Yujia version
- Platform strategy matrix: one creator, three platforms, one brand
- Tool, Behavioral planner: touchpoints and needstates from the research, driving a unified, efficient content brief

## SECTION 5: THE ACTIVATION

- Content pillars
- Instagram content concepts
- TikTok content concepts
- RedNote content concepts
- Team workflow and posting cadence

## SECTION 6: THE RESULTS

- KPIs and baseline: the 5,000 target and the Day 0 numbers per platform
- Results: engagement across the three platforms
- Optimizations: what we adjusted mid-campaign and the lift

## SECTION 7: THE ROAD AHEAD

- Learnings and findings
- Phase 2: brand ads and collaborations
